PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for your Board to initiate proceedings for the annexation of territories into County Lighting Maintenance District 1687 and County Lighting District LLA-1, and to authorize the preparation and filing of an Engineer's Report of for each Petition area. Petition Nos. 44-404 (Bannon Avenue), 18-205 (Walnut Grove Avenue), and 100-905 (Otterbein Avenue) favoring the annexation of territory were signed by property owners representing 64, 97, and 90 percent, respectively, of the area proposed for annexation to County Lighting Maintenance District 1687 and County Lighting District LLA-1. This complies with the 60 percent or more requirement in the policy adopted by your Board on March 11, 1980. The enclosed Petitions indicate the approximate assessment for the operation and maintenance of the street lights to be paid by the property owners within the territories to be annexed. There is no cost to the property owner for the installation of street lights on wooden poles.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexation and levy of assessments provide the funding necessary for the installation, operation, and maintenance of new street lighting facilities within the annexed territories.

FISCAL IMPACT/FINANCING

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These proceedings are governed by the Landscaping and Lighting Act of 1972 (Section 22500 et seq. of the California Streets and Highways Code). After your Board adopts the Resolution Initiating Proceedings, a separate Resolution of Intention to Annex Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1 will be prepared and submitted for your Board's consideration and adoption. The Engineer's Reports will also be filed at that time.
